info@luca-corradi.com ❖ www.linkedin.com/in/corradi/ ❖ Gran Canaria, Spain

---

I am an Italian developer with **17 years of experience**.

I am currently working as **Full Stack Developer** for Nacsport and Coding Hub, an **online video analysis platform**. I also have experience as **SCADA** developer for industrial automation.

## WORK EXPERIENCE

---

### Nacsport & Coding Hub

*Full Stack Developer*

**October 2019 – Present**

*Las Palmas de GC, Spain*

Hub is an online platform (**ASP.NET**) specifically designed for storing and sharing sports video analysis work. Hub brings analysts, players, and coaches closer together, ensuring a solid flow of information at the club.

- Developed a new UI, improving the user experience and response times by 30%.
- Upgraded **API** to **.NET8.0**, migrating 90% of **Web APP** functionality.
- Created an internal social network for communication and sharing data between club members.
- Improved platform stability, reducing reported bugs by 70%.

### A.E.I. srl

*SCADA Developer*

**February 2008 – February 2019**

*Sarego, Italy*

Since 1988 A.E.I. Srl company designs and manufactures electrical and electronic equipment used for automation of machines and industrial plants.

- Followed the entire development process for more than 30 SCADA applications for industrial automation.
- Commissioned SCADA applications, in industrial complexes, in Italy, Russia, Ukraine, China, Bosnia and Saudi Arabia.

## EDUCATION

---

**“Università degli Studi di Verona”** (Facoltà di Scienze Matematiche Fisiche e Naturali)

*Bachelor's degree (Computer Science)*

**July 2010**

*Verona, Italy*
